PURECHARM Jewellery

MEMORIAL KEEPSAKES - ADULTS

Fingerprints

- Our team visit to take impressions.
- All 10 fingerprints are captured in silicone moulds and digital scans.
- No mess or staining on fingers
- A personalised tin with an extra impressions mould will be left onsite, for you to present to the family on or before the funeral.
- Full set of prints are kept safely in our care for when the family are ready to reach out. (Prints can be collected at any time.)
- We invite the family to visit our studio in Chirnside Park to view samples, and choose their keepsake.
- Multiple keepsakes can be created from the same fingerprint mould.
